

Board of Health Meeting - Tuesday, April 28, 2015 7:00 p.m.
116 Main Road, Tyringham

Board members present - Christopher Johnson and Gerard Miller.
Others present - Molly Curtin-Schaefer. See attached list.

Pledge of Allegiance was recited.

The mail was read, previous minutes were approved.

Water Test:

The Fire Company submitted their annual water test report.

TITLE V:

Scott McFarland was in to discuss the 850 gallon septic tank at 4 Stonebridge Ways. This system was upgraded in 2003 and approved with this tank. Mr. McFarland feels the tank is sufficient for this system. Alan Joyner noted on the T-5 report that he recommended that a new 1500 gallon tank be installed however, he noted the tank is in good shape and not leaking. Mr. McFarland asked the board if a filter could be installed or have the owners upgrade the tank if a building permit was applied for in the future. We will consult with Alan Joyner on this request.

TRANSFER STATION: Molly to circulate the current bid for hauling trash and recyclables. This contract ends June 30, 2015. We will make necessary changes and rebid this contract.

Meeting adjourned at 7:15 p.m.
