

Tyringham Conservation Commission

Town Hall, 116 Main Road, Tyringham 7:00 PM

August 13, 2015

In Attendance: Matt Puntin, Mike McCauley, Alan Wilcox, Barbara Palmer, Suzanne Delmolino, Joe Delmolino, Mimi Crandall

RDA – 69 Main Road, Delmolino – The request is to repair an asphalt driveway. There is a sink hole in the driveway due to a culvert that heaved. The Delmolinos will hire Tri Town Paving to excavate the existing asphalt and replace with new asphalt. There will be no disturbance of the intermittent stream or surrounding area. Matt made a motion for a Negative 2 determination, “the work described in the Request is within an area subject to protection under the Act, but will not remove, fill, dredge, or alter that area, Therefore, said work does not require the filing of a Notice of Intent”. Three members voted in favor, one abstained.

Barbara Palmer has joined the Commission. As a new member, Matt explained the two most common filings, a RDA and a NOI. The members explained different aspects of how the Conservation Commission functions and what the responsibilities include. Mimi will copy some paperwork for Barbara so that she can familiarize herself with the Wetlands Protection Act.
