

## BOARD OF HEALTH MEETING

Tuesday, September 12, 2017 6:00 pm

Board members present: Matthew Puntin, James Consolati, Michael Curtin & Molly Curtin-Schaefer. See attached sheet for other present.

Mail was read and previous minutes were approved.

### **PUBLIC COMMENT:**

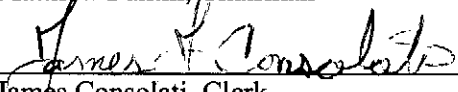

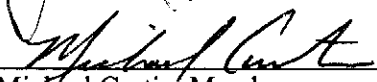

The certificate of compliance was not issued for 19 Webster Road because an "as built plan" and fees need to be submitted to the town.

### **14 LAKESIDE DRIVE:**

Mrs. Freeman called Matthew Puntin regarding the certified letter dated August 22, 2017 stating legal action will be taken by the Board including condemning the house, if the failed septic system is not repaired by October 1, 2017. Matthew Puntin discussed options available to Mrs. Freeman.

A discussion ensued and Rosemary Renn of 16 Lakeside Drive stated if the smell gets stronger, we just have to smell it? Mr. Puntin was not sure if the smell was a public health issue or not. He was at the property with James Consolati and did not smell anything. Mr. Puntin stated he is not discrediting the neighbors claims, however, the day he was on the property he did not smell an odor. He further stated the legal process is tedious and lengthy and we will contact Town Counsel for the next steps. The Board voted unanimous to hire James Wilusz to consult on this issue.

Meeting closed at 6:12 pm.
