

BOARD OF HEALTH MEETING

Tuesday, April 23, 2019. 7:00 pm

Board members present: Matthew Puntin, James Consolati, & Molly Curtin-Schaefer.

Mail was read and previous minutes were approved.

Mail included Title 5 reports from Fernside Properties LLC located at 128, 130, 132, 137 Jerusalem Road. A Title 5 report from 26 Goose Pond Road and a repair application for 140 Jerusalem Road.

PUBLIC COMMENT: NONE

Scott McFarland was in to discuss the 5 septic systems on Jerusalem Road. 140 Jerusalem Road needs a repair permit to replace the "D" box. 137 Jerusalem Road, the main house, the septic system passed. 132 Jerusalem Road has a failed septic system. 128 and 130 Jerusalem Road have a shared system and the field is on the property of 132 Jerusalem Road. The system does not fail however, in its current configuration it is a "shared" system and a shared system agreement thru Title-5 and proper easements need to be in place before this Board of Health can pass the system. A letter will be sent to Mr. McFarland.

Meeting closed at 7:35 p.m.
