

BOARD OF HEALTH MEETING

Tuesday, July 27, 2021. 7:00 pm

Board members present: James Consolati & Michael Curtin-Molly Curtin-Schaefer.

Public present: see sign in sheet

Previous minutes were approved.

Mail reviewed: Operation & Maintenance of Perc-Rite Drip Dispersal System at 4 Jerusalem Road, Amanda Hamilton.

137 / 140 JERUSALEM ROAD: Submitted an application to drill 3 wells. James Consolati made a motion to approve the permits. Michael Curtin seconded.

38 LAKESIDE DRIVE: Neighbors of 38 Lakeside Drive attended the Board of Health meeting to express their concerns about the septic situation. (The owner did not attend due to a medical emergency.) An Enforcement Order was issued on May 4, 2021 the owner shall upgrade the system within 180 days. Until that time, the tank must be pumped as needed to prevent discharge or effluent, or any other violation. A discussion ensued about the possible discharge into Goose Pond, water testing and any immediate solutions to the problem. It was agreed that James Consolati would preform a site visit in the morning and report back to the Board. It was further discussed that a "tight tank" could be a solution (until the system is upgraded). A tight tank does not allow discharge into the septic fields. It does require pumping when full.

TOWN POND WATER TEST: Michael Curtin asked about the water test results (The tests results have been very good).

Meeting closed 7:30 pm.

ABSENT

Matthew Puntin, Chairman

James Consolati, Clerk

Michael Curtin, Member

BOARD OF HEALTH & BOARD OF SELECTMEN MEETING
