**Minutes** Approved from March 21th

**ANRs, Curtesy Notices, Mail:**

We received notice that owners of docks now have a more streamlined process for registering their docks. We, as a Planning Board, have the right to review plans for said docks. We will have 45 days to respond, if we do not respond the license will be granted.

**Old Business:**

We reviewed our notes on creating a town plan. We discussed the following as important topics to address in said plan: Keeping fields mowed, keeping solar available in ways that will not detract the scenic view, helping our community to thrive by attracting new residents.

We reviewed the old survey conducted in Tyringham in the 1990s as well as a Town Survey from Enfield NY.

We began drafting our town plan survey.

**Adjourning: 8:10**

Our next meeting will be April 18<sup>rd</sup>, 2017

**Respectfully submitted,** Rebecca Honig
