### PUBLIC COMMENT:

*Mark Curtin asked about carpentry, painting and cleaning out the "school house". James Consolati made a motion to have Chief Holian clean out the police items, the Hop Brook Club remove their items, the highway dept. remove the large metal desks and place at Transfer Station (residents may take a desk for free, however they will be placed in the dumpster after 2 weeks), the old "cubical" dividers will be taken to the transfer station, a file cabinet will be brought to the Town Hall as well as Peggy DeSanti's records.*

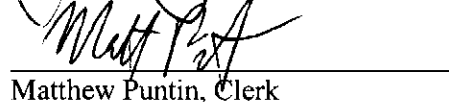

*Michael Curtin stated the Trustees of Reservation recently put up a sign which exceeds the Tyringham By Laws of a maximum of 5 square feet. Matthew Puntin made a motion to notify Jake the sign is in violation of the by laws and all signs must be approved by the Board of Selectmen. Michael Curtin seconded, no opposition.*

*James Consolati reported – Charter says that the pole owners have much "make-ready" work to do and they don't expect it to be done in time for construction to begin this year. They do expect to begin construction in the Spring of 2019 with completion in the Fall of 2019.*

**ELECTRICAL INSPECTOR:** James Consolati made a motion to appoint Robert Kimberley as Wiring Inspector, (as long as Mr. Roche, Asst. Electrical Inspector is not interested) Michael Curtin seconded, no opposition.
