

BOARD OF HEALTH MEETING

Tuesday, March 27, 2018 7:00 pm

Board members present: Matthew Puntin, James Consolati, Michael Curtin & Molly Curtin-Schaefer.

See attached sheet for other present.

Mail was read and previous minutes were approved.

PUBLIC COMMENT:

Matthew Puntin stated a "system pumping record" for the Visitation Monastery and a 2017 Maintenance & Sampling result report for an "Intermittent Sand Filter System" for the Martin property on 1 McDarby Road were reviewed. The FY2018 Annual Transfer Station Inspection report was reviewed. The Operation and Maintenance Inspection conducted by Jamie Callahan of CET found no deviations from the applicable performance standards and no additional requirements were identified during the inspection under 310 CMR 19.018 (6).

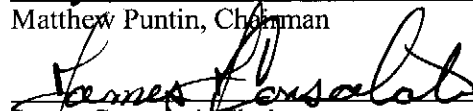

Noah Choquette asked the Board to issue a 10 Day Emergency conibear-type trapping permit near 160 Main Road. The Board voted unanimously that a threat to human health and safety exists, Matthew Puntin made a motion to issue this permit and Michael Curtin, seconded, no opposition.

BEACH TESTING: Matthew Puntin made a motion to send a letter to Lakeside Drive Association and Cooper Creek Road Association that the beaches on Lakeside Drive and Cooper Creek Road fall under 105 CMR 445.000 Minimum Standards for bathing beaches (state sanitary code, Chapter VII) and semi-private beaches must test the water and submit the reports to the Board of Health thru the season. James Consolati, seconded, no opposition.

51 COOPER CREEK ROAD: A complaint regarding copper toxicity in the water at this address was received from David Tilley and Brittany Bentley (tenants). Jeremia Pollard will be consulted as to the next step, possibly an inspection by the Board and Building Inspector.

Meeting closed at 7:14p.m.
