

BOARD OF HEALTH MEETING

Tuesday, December 14, 2021. 6:02 pm

Board members present: James Consolati, Matthew Puntin & Michael Curtin--
Molly Curtin-Schaefer & Laura Lee Bertram.

Previous minutes were approved.

Mail reviewed: O & M for 63 A Goose Pond Road, T-5 for Daniel Collins, septic pumping reports for the season from Yankee Septic, PFAS well testing signs.

33 MAIN ROAD: A Title-5 was preformed at Daniel Collins property. The system passed the Title-5, however it is a 5-bedroom house with a 4-bedroom septic system. A discussion ensued about the residence having a greater number of bedrooms than the system was designed for. The system is 13 years old. It was unanimously agreed that the Board of Health will require a Title-5 inspection be preformed by a qualified person and the system be pumped every 3 years.

Meeting closed 6:014 pm.

Matthew Puntin, Chairman

James Consolati, Clerk
