

# Conservation Commission Meeting Minutes

## Remote Zoom Meeting

February 25, 2021

**Members Present via Zoom:** Matthew Puntin (host), Mark Caldwell, Joshua Briggs, Reba Schechter, Linda Tvrdy, Laura Lee Bertram

**Public Present:** Mike Kulig from Berkshire Engineering

**Any Attendee Recording Meeting:** None

**Members Absent:** None

Matthew Puntin made a motion to open the meeting at 7:00pm.

#1 RDA for 131 Main Road Mike Kulig explained the project. It will be a straight forward, high end system and a great improvement over what is there currently. The Commission mentioned this property has a grandfather clause for riverfront location. Josh feels doing nothing would be worse then installing the new system. Mark mentioned he viewed the site through Google Earth and seen what appears to be a telephone pole close to the project. Mike Kulig responded that the telephone pole is about 10 feet away and there would be no need to dig close to the pole. Mike Kulig also said there would be no trees cutting involved with this project. Reba agreed that it was a good idea to replace the current system with the proposed system. Matt Puntin made a motion to issue a negative Determination of Applicability #2 to allow the new system to be installed. Josh seconded. All in favor, unanimous.

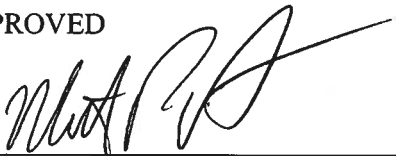

#2 Review Minutes from 11/12/20 and Mail: There was no mail to be reviewed. Matt made a motion to accept the minutes. Josh seconded. Unanimous.

Matt made a motion to adjourn the meeting at 7:15pm. Mark seconded. Unanimous.

*Documents filed with minutes:*

None

APPROVED

Matthew Puntin, Chairman
