*PUBLIC COMMENT: NONE*

**TOWN ROADS:** It was approved that Noah Choquette will use 4" cold in place recycling with a 1.5" top coat from Barnes Road to the Otis line. He will patch Main Road in areas from the Tyringham/Lee town line in various spots toward Santerella. No opposition. A Special Town Meeting article for \$30,000.00 will be held for this purpose in May.

**CLIMATE PREPAREDNESS:** James Consolati stated CarrieAnne Petrik, Regional Coordinator for the Municipal Vulnerability Preparedness (MVP) program. She will attend the next meeting to discuss this new program and grant funding that Tyringham is eligible for.

**WI-SPRING:** The land owner does not want this tower taken down at this point. Possibly in the future.

**AFFORDABLE HOUSING:** -A meeting with the TAHA, the Selectmen and Construct will be held to dissolve the TAHA and transfer control of their assets to the Board of Selectmen.

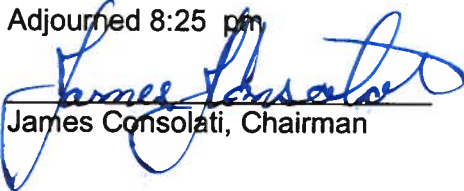

*OLD BUSINESS: Updates –*

**GREEN COMMUNITY:** James Consolati met with Steven Cowell regarding this designation and the "as of right zoning" we have to enact. Mr. Cowell agreed the Transfer Station is the area to designate for that purpose.

**SCHOOL HOUSE:** A discussion ensued regarding the rehab of the school house. The foundation, bones, siding, windows and hiring an engineer/architect. It was decided that Phase I will be started and this will be the foundation of the building. The Board of Selectmen will consult and then an architect will be hired to submit a plan on the "scope of work".

**HIGHWAY DEPT:** Noah Choquette stated this year he has used more sand than any other year he has been Road Supt. this is due to the many ice storms. He also stated our truck is in however, the salesman never told the builder it was coming and therefore no parts were ordered for our truck. New delivery date for the truck is end of April 2020.
