

Would you be so kind and post our next finance committee for Wednesday 11/20 at 4:30 Town Hall.

Agenda:

1. To discuss the following statement:

DRAFT

To: Planning Board

Date: 11/20/2019

Subject: Special Permit for Nicholas Felix

Dear Planning Board Members,

We, the undersigned members of the Tyringham Finance Committee, write to voice our concern about the Special Permit being considered for Nicholas Felix.

In order to minimize the potential financial liability to the Town, we believe it is essential that the Planning Board answer the questions outlined in article 7.3.3 of the By-Laws. These answers must be credible and defensible. Failure to do so could expose the Town to lawsuits and these suits will have a higher likelihood of causing the Town financial hardships.

We recognize the challenge you face of interpreting the By-Laws and appreciate your work. While following the letter of the By-Laws does not guarantee that the Town would not be sued, it does increase the likelihood that your decision, whatever it may be, will be upheld.

Thank you in advance and please let us know if we can be of any assistance.

2. Set dates for next Committee meetings.
