Approved previous minutes from 10/2/2019

In the 8/7/19 Planning Board approved notes and error was made regarding the special permit for 8 Webster Road. The following line is incorrect: "The 5 bathrooms in the house on the property would be utilized for events." This is not the intent of the Property owners. They would bring in portable restrooms for events.

Special Permit for 8 Webster Road - Larry Gould had planned a site visit today 10/2. Public hearing is scheduled for 10/16.

Demolition delay bylaw - further discussions at Nov 6th meeting. Mark will invite the Historical Commission & Building Inspector to join the discussion.

Planning Board Rules & Regulations - further discussion a future meeting
